

Amendments to the Drawings

Figs. 3A and 7A are amended to add the legend "AND FLAG GENERATOR" to blocks 140 and 150. Replacement sheets and annotated sheets are enclosed for the Examiner's approval of the changes.

Remarks

Applicant cancelled the non-allowed claims without prejudice to pursuing such claims in a continuation application. None of the art of record applied to the cancelled claims shows or suggests a wobble groove that stores RAM and ROM information. The cited reference of Endoh et al. reference relied upon for the rejection has separate grooves for RAM and ROM.

Claims 18, 19 and 27-34 are allowed and are the only remaining claims.

Figures 3A and 7A are amended to add the legend "AND FLAG GENERATOR" to boxes 140 and 150.
